

Rigorous empirical
research on
intellectual property

4iP Council's experience in supporting IP Teaching

12th Anniversary **EIPTN** Conference 2020

Overview

- **Empirical third party research** on IPR & innovation
- Represents **leading inventors & innovators in Europe**
- Research is **multi-industry** and **cross sector**
- Works **with academia, policy makers and regulators** to facilitate deeper understanding
- Commissions **robust empirical independent research** on topics related to intellectual property

Intellectual property is everywhere

Are **students** knowledgeable enough in intellectual property rights (IPRs)?

Are **entrepreneurs** ready to leverage IPRs to yield positive results?

Are existing **SMEs** understanding the benefits of IPRs?

Are **Professors** fully equipped to raise awareness on IPRs?

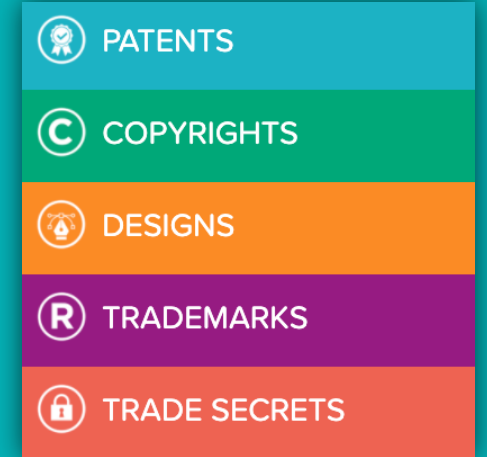

- **Everybody** should be able to leverage intellectual property rights
- **All sectors and industries** are subject to intellectual property rights
- **Everybody** talks about innovation, new technologies, disruptive services/products

4iP Council creates a diverse set of tools to help everybody
to understand and choose the use of IPRs to bear fruit
